

ATTENTION

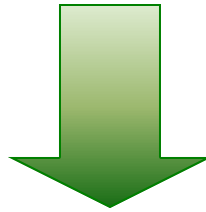

Riverton curbside customers

Please throw all other brochures you have received from the City of Riverton away. As of April 3, 2017, the attached brochures show the recyclables the City of Riverton will take at curbside ***only***. The most significant change is all sorted recyclables will be picked up ***every week***. You are also able to take your recyclables to the CES facility at the end of East Park by the Baler Station. Please watch Channel 191 or check on our website at www.rivertonwy.gov for current information on the Curbside Recycling program.

If you have questions regarding the City of Riverton Curbside Program, call the Recycling Hotline, 307-857-7744. If you have questions on recycling in general, you can call either the Recycling Hotline, CES, or the Fremont County Solid Waste Disposal District.

Riverton Curbside Program
