

Riverton City Council Goals 2013

TARGET PUBLIC INTOXICATION IN OUR COMMUNITY

- Support a path to treatment
- Create a culture of intolerance to public intoxication
- Enforce responsible use/sale of alcohol – target chronic offenders

TWO WAY COMMUNICATION – PUBLIC RELATIONS

- Target information exchange utilizing multiple modes of communication
- Ensure inquiries are designated and/or addressed by city staff
- Disseminate proactive, accurate information in a timely manner
- 1% promotion/awareness/accountability
- Obtain voter/residents' opinions – measurable community input
- Council relationships – work sessions to include vision discussions and open discussion/dialogue opportunities. Continue department reports.
- Designate Public Information Officer responsibilities – one focal point for information exchange

PUBLIC FACILITIES – CITY PARKS

- Determine priority list for park facilities and bike paths
- Increase safety in our parks
- City Park – Increase usage, activities
- Develop community partnerships for improvements

FISCAL RESPONSIBILITY

- Identify opportunities to reduce current debt
- Thorough research and review prior to incurring new debt
- Continue “clean” audit practices
- Prioritize maintenance/repair of existing resources

ECONOMIC GROWTH OPPORTUNITIES

- Utilize master plan as a guide
- Support and facilitate economic growth
- Job Corps

MISSION: Instill public confidence through exceptional customer service in a transparent, professional manner.
